*«The events would have to have participants from different countries and the aim was to reflect on practical solutions to overcome the problems identified in the application of the Regulation, to raise awareness of the practical aspects of EU foreign law, which were involved in the resolution of cross-border successions, and to help notaries to apply the regulation correctly.»*

*This meeting is organised by the CNUE as part of the project “Monitoring and Evaluating the application of the Succession Regulation EU 650/2012 – MAPE Successions” co-funded by the European Union’s Justice Programme JUST-JCOO-AG-2020, under grant agreement 10100742.*
